“Reed made sure they understood what we wanted in our new Director of Finance & Operations and then quickly set about putting in front of us a range of high-quality candidates carefully selected to meet the requirements of the role. We were particularly delighted with the pro-active and can-do approach that Reed demonstrated throughout the process and would unhesitatingly recommend Reed to companies seeking finance professionals.”

What our clients say about us

“The level of service from Reed has been outstanding. There are a number of agencies I use but Reed has by far the highest success rate in placing candidates with myself. They quickly gained an understanding of my requirements and take the time to screen the candidates fully.

The quality of the candidates provided is fantastic, as is their ability to deliver. I now always give first refusal to Reed as they only provide me with candidates of the highest calibre, all of whom have added significant value to our company.”

Richard Barker
Sales Manager HSBC

“I would just like to say how pleased I am with the service Reed Specialist have given us. From the time I first made contact with their office, I have been extremely impressed with the way they have dealt with my staffing requirements. Temporary staff supplied by Reed have been exemplary. They fitted in so well with the existing team, which as they are long standing team members is often a difficult task. I have now recommended the use of Reed Specialist to my colleagues in Sodexho both in my unit and other sites locally and would have no hesitation in recommending Reed to others in the future.”
